Comfort Grip Shears

Vantage® Series

Screw Fastened

Double Ground Blade

90 Day Warranty

Sore, tired fingers are a thing of the past with Dahle's line of Comfort Grip Shears. These ergonomically correct shears provide a soothing surface for your fingers and allow for continued comfort as long as you cut. The screw fastened blades have a double ground edge which will allow you to cut through thicker material and cut all the way to the tip for fine trimming.

Dahle's Comfort Grip shears are designed to accommodate the needs and comfort of both personal and professional use. They can easily cut through paper, fabric and card stock and are guaranteed to produce a clean cut each and every time. Dahle's Vantage Comfort Grip Shears are available in 5" 6" and 8" sizes and are the perfect choice for craft enthusiasts.

Features

- **Soft coating on the handle surface to reduce fatigue and provide comfortable gripping**
- **Double ground blades offer precision trimming of thicker material**
- **Screw fastened blades for easy adjustment of cutting tension**
- **Stainless steel blades resist corrosion**
- **Great for home, office and craft use**

Double ground blades are screw fastened & able to cut through thicker materials.

Soft cushioning is gentle on the hands & reduces fatigue when continually cutting.
